

# Mikael Jansson

Surface Modeller and Model Maker

Birth: 18 March 1986  
Nationality: Swedish  
Language: English, Swedish  
Mobile: +46 (0) 709 74 1119  
Email: mikael.jansson@3119.se  
Website: www.3119.se

## Objective

My goal is to work with product development where usability and quality is the keywords.  
Together with designers I want to experiment with shape and function in 3D to find the best solution.

## Experience

- |   |                                    |
|---|------------------------------------|
| <b>Concept Group International</b><br>Surface Modelling in Autodesk Alias for Nissan.     | 6 months 2011 - Coventry, UK       |
| <b>Internship - Scania</b><br>Surface modelling in Autodesk Alias.                        | 3 months 2010 - Södertälje, Sweden |
| <b>Internship - TAF Arkitektkontor</b><br>Model making - architecture and product design. | 3 months 2008 - Stockholm, Sweden  |
| <b>Web Design - Freelance</b><br>Designing and coding with HTML, CSS, PHP and MYSQL.      | 2004 - Ongoing                     |

## Education

- |  |             |
|--|-------------|
| <b>Design Technology - KY-Akademien</b><br>Surface modelling in Alias and Icem Surf.   | 2009 - 2011 |
| <b>Model Making - Formakademin</b><br>Clay modelling, hard modelling, architecture models.   | 2007 - 2009 |
| <b>Electronic &amp; Computer Science</b><br>Digital technology, web development, PC hardware, Novell, Microsoft SQL, Windows Server. | 2002 - 2005 |

## Interests & Skills

**Surface Modelling**, Visualization, Graphic Design, **Photography**, Architecture,  
**Model Making**, In-lines Skating, Web Design, House Renovating, V-ray, **Rhino 3D**,  
Keyshot, **Adobe Fireworks & Photoshop**
